OUR FOUNDER

Mr. Adnan Al Joulani is a visionary leader with over 25 years of experience in the gold market, financial brokerage sector and regulatory compliance. As the co-founder and CEO of River Prime, ValMeta and other successful ventures, he has driven innovation, operational efficiency and sustainable growth. His extensive involvement in industry committees and boards highlights his commitment to fostering growth, transformation and excellence across the industry.

OUR VISION is to provide a better trading experience competing on price, speed, size, reach, and advanced trading tools. We believe in providing diversified financial solutions and a personalized service to help our clients achieve their financial goals.

OUR MISSION

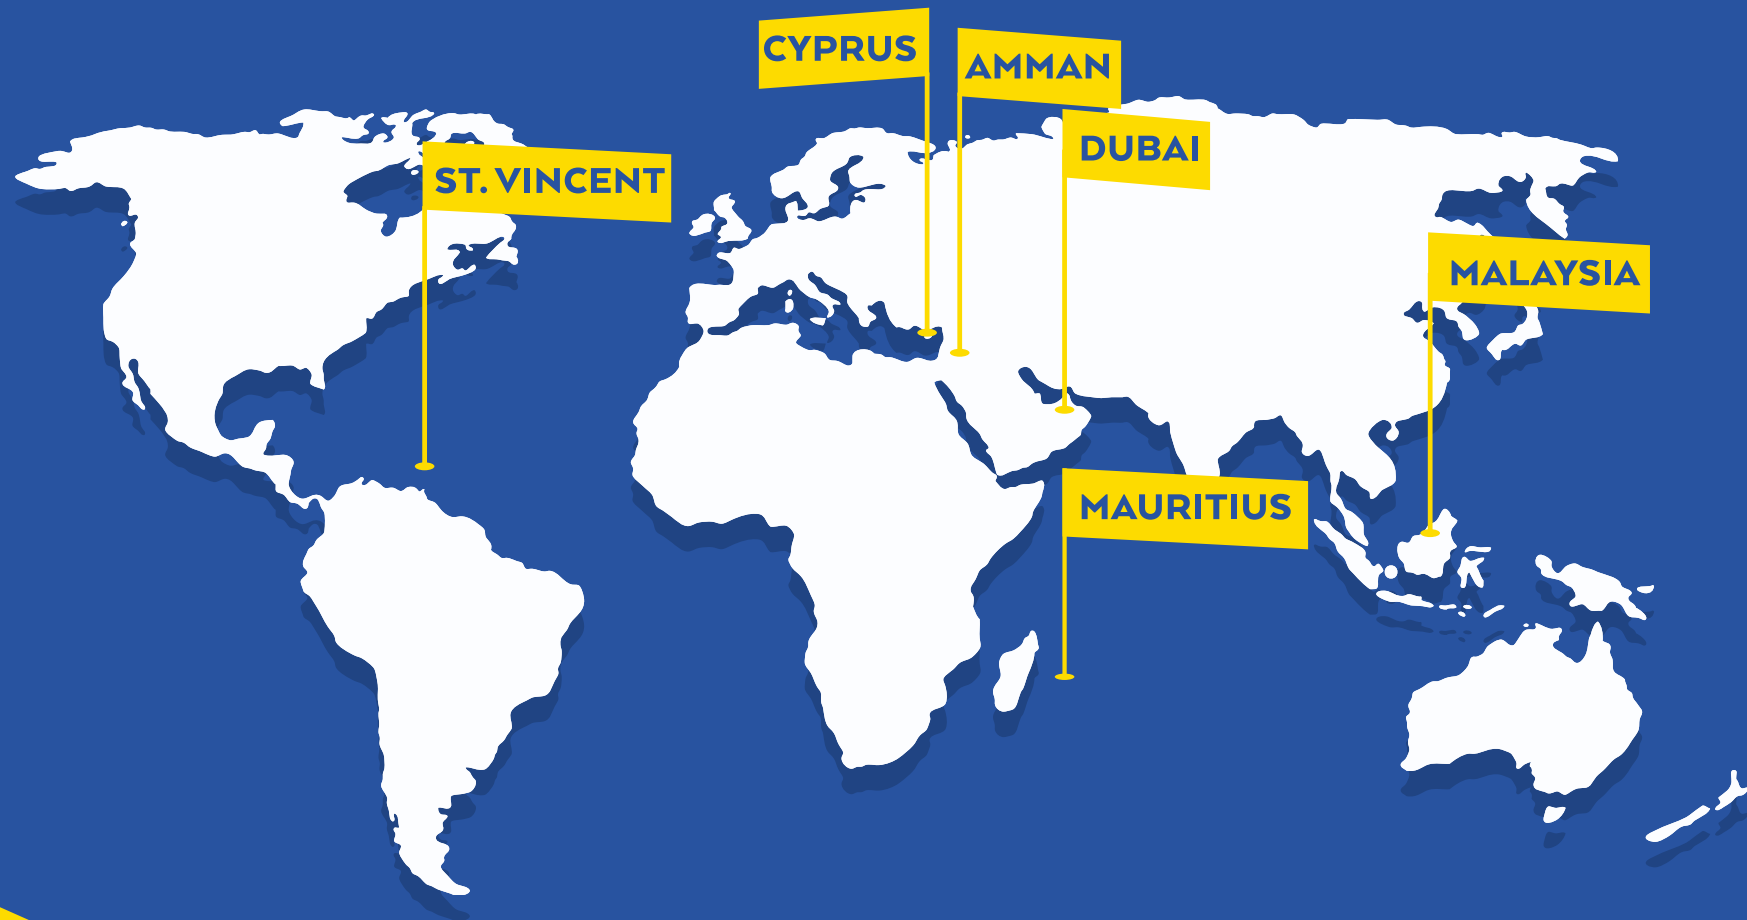

is to empower individuals and businesses to thrive through innovative, ethical, and personalized financial services in our region. We are committed to providing high-quality solutions tailored to our clients' unique needs, fostering long-term relationships built on trust and excellence. By combining expert guidance, comprehensive risk management, and diverse financial products, we aim to create gateways to success beyond traditional trading services. Centered on professionalism, reliability, and transparency, we help our clients navigate the complexities of global financial markets with confidence, enabling them to achieve their financial goals.

OUR VALUES

	Customer Focus	Our customers are at the heart of everything we do. This means understanding their needs, exceeding their expectations, and building long-lasting relationships. Every interaction is an opportunity to demonstrate our commitment to delivering outstanding value and exceptional service.
	Excellence & Integrity	We strive for excellence in all aspects of our work. This encompasses speed, quality, and volume, ensuring that we deliver superior results efficiently. Integrity is the foundation of this pursuit; it involves acting with respect, transparency, loyalty, and always doing the right thing. Together, these principles foster trust and uphold our reputation.
	Risk Management	In an ever-changing business environment, effective risk management is crucial. We commit to identifying, assessing, and mitigating risks proactively. This means being prepared for challenges, making informed decisions, and safeguarding our company's assets and reputation.
	Cooperation & Synergies	Success is a collective effort. We believe in the power of collaboration, both within teams and across the entire organization. By leveraging our diverse talents and working together, we create synergies that drive innovation, solve problems more effectively, and achieve greater results than any of us could alone.
	Learning & Development	Continuous improvement is key to our success. We are dedicated to the learning and development of both hard and soft skills. By investing in our personal and professional growth, we enhance our capabilities, adapt to new opportunities, and ensure our long-term competitiveness.
